THEO RATLIFF

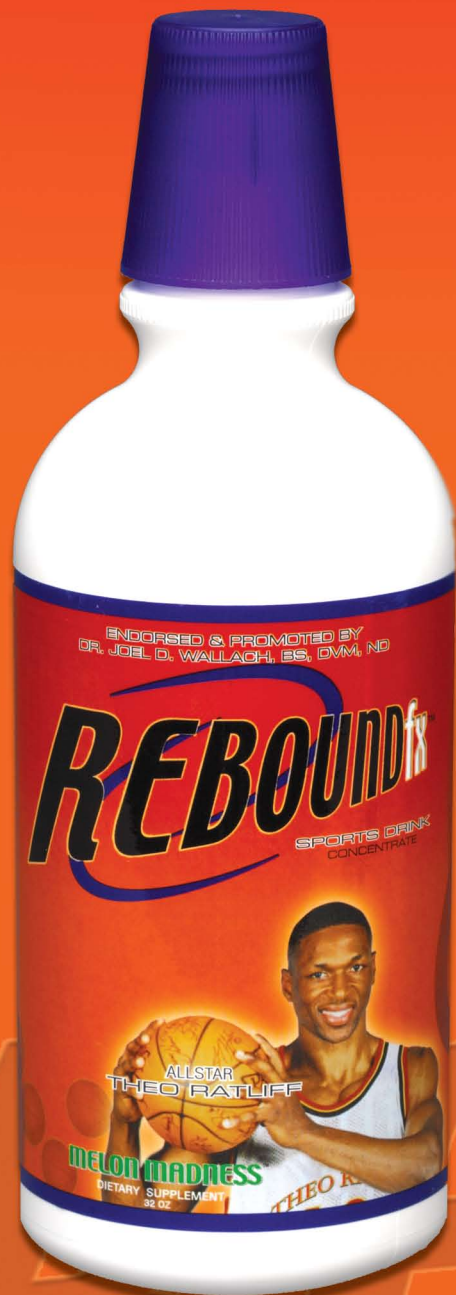

Rebound fxTM is a tasty alternative to the high-sodium, high-carbohydrate sports drinks that are commonly found in the marketplace today. This high-energy sports drink provides quick, sustained energy while supplying a balance of antioxidants, natural herbs, and the minerals that must be replenished in order for the body to function at optimum levels.

Rebound fxTM is used and endorsed by NBA All-star, Theo Ratliff. Several years ago, Theo had a career-threatening hip injury that forced him to miss 79 of 82 games. In 2000, he was introduced to our products. Like many NBA players, Theo has been using our products to insure his continued excellent health and to maintain his competitive edge. As one of the NBA's most dominating defensive players, Ratliff is known for his hustle on and off the court. He is also widely known for his commitment to literacy and is a frequent participant in the Atlanta Hawks' and Portland Trail Blazers' "Read to Achieve" program. He also volunteers with the Sickle Cell Foundation of Georgia, Inc. and The Mike Glenn Camp for the Hearing Impaired.

The 6'10" center was drafted into the NBA in 1995 and has become an all-around force in the NBA. He is widely known for his tireless energy – and the nickname "THE RATTLER."
